The Orientation program was held in different session in which out of total 38 students in First Semester, 30 students were present in the programme. In this orientation programme, all the Faculty members deliberated words of advice/suggestions to the newly admitted B.Sc. First Semester students on the following points:

1. The rules and regulation of the College and the Department.
2. The importance of Education in life.
3. The importance of studying Mathematics.
4. How to improve the life and how to lead a life in a right direction.
5. About the course syllabus and significance of attendance (have to maintain 75 per cent attendance in each paper) not only in the class but also other academia activities.
6. Importance of internal Assessment marks which will be awarded on the basis of class attendance, marks obtained in sessional examinations, seminar Presentation and their participation in various activities conducted by the department.
7. Maintain communal harmony in and outside the College campus.
8. To respect teachers and elders in and outside the College campus.
9. Responsibility towards the society as an educated person.

Apart from the above mentioned points, all the teaching faculties also imparted knowledge on the day-to-day life, about writing skills, answering the questions via sharing their personal experiences of life in College. The orientation was a great success, with active participation from both faculty and students. It provided a comprehensive introduction to the college/department and helped new students feel welcomed and prepared for their academic journey ahead!!!

The session ended with the vote of thanks proposed by Mr. Keshab Borah, Assistant Professor, Department of Mathematics.
